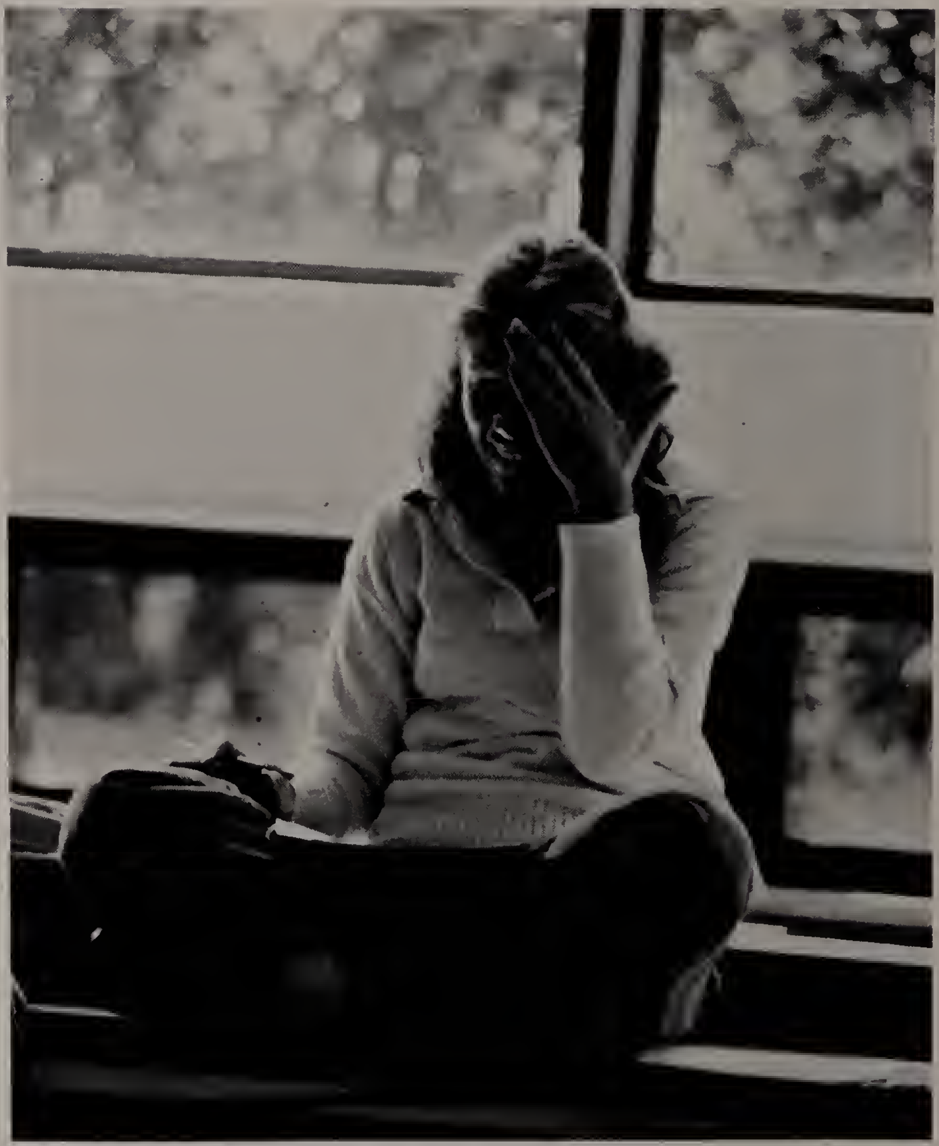
Memories Light The Corners Of Our Minds.

Misty Watercolor Memories

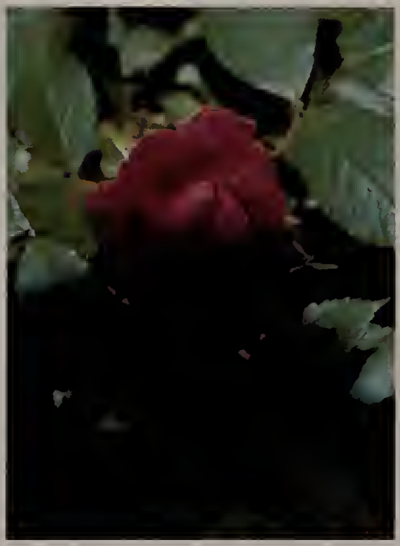
Of The Way We Were.



Memories May Be Beautiful, And Yet,

What's To Painful To Remember, We Simply Chose To Forget.

Scattered Pictures,
Of The Smiles We Left Behind.



Smiles We Gave To One Another . . .

Can It Be That It
Was All So Simple
Then,

Or Has Time
Rewritten Every
Line?

If We Had The Chance
To Do It All Again-
Would We,
Could We?

So It's The Laughter
We Will Remember,
Whenever We Remember . . .

The Way We Were.

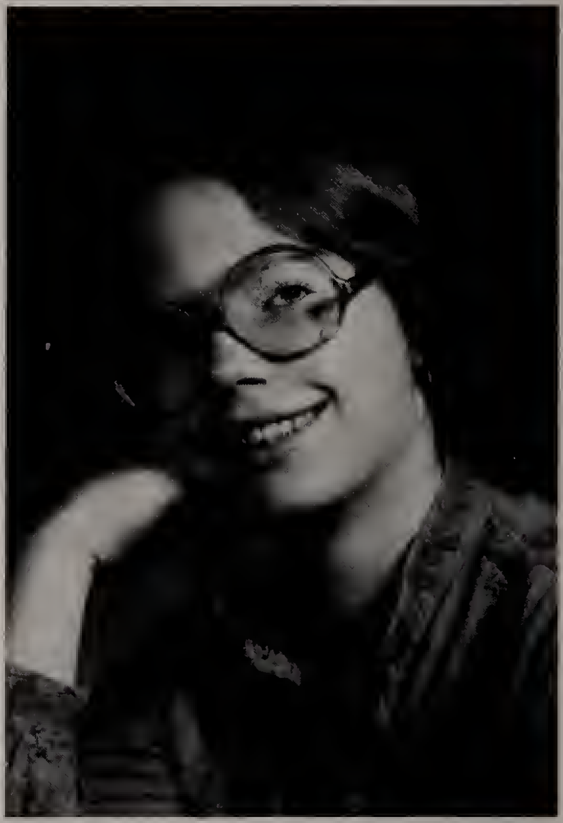
Memories of Jenny

JENNIFER C. BRIER

MAY 28, 1961 - January 2, 1979



DREAMS

Soft expanse of darkness
Feels like velvet
Escape into nothingness
Enveloping everything
Fuzzy images of people joining me
They are there, but not really
Open my eyes and they'll disappear
Past memories, desired things
Hopes and fears
Open my eyes and they're gone.
Jenny Brier - 1/04/78
